Introduction

WHO WE ARE

Our Story

Plan Space Venture established in year 2019. The name of PSV was inspired by the important of space for an interior of a Home or Office, a well plan interior will enhance the overall design of the premises which to make more spaces.

Our services and products

PSV specializes in the supply and installation of interior design cabinet such as custom-made wardrobe, Kitchen, Divider, TV cabinet, study table, bedroom set and designer furniture. Our clientele include private homes, hotels, offices, service apartments and retail outlets.

We have an experiences interior designer team work together and pride ourselves in customer service and meeting client needs in areas of budget, design and quality.

Our Vision

Our vision gives us a sense of direction and purpose. It capturing our aspiration of being the best in everything we do.

Our Mission

Our mission is to provide a one stop interior designer and designer products centre. This enable our clients to source all items needed for their home without hustle of looking around thus cutting the travelling and logistic saving precious time.
